Professional Summary

With over 4+ years of experience as a Full Stack Developer, I bring a proven track record of designing, developing, and maintaining responsive and high-performing web applications. I have successfully led and collaborated with teams, demonstrating expertise in both front-end and back-end technologies. My dedication to staying abreast of industry trends and commitment to continuous learning ensures that I am equipped with the latest tools and techniques. I am passionate about leveraging my skills to build innovative solutions and thrive in dynamic, collaborative environments. Looking forward to contributing my technical proficiency, leadership, and problem-solving abilities to drive success in your team.
